World-class Education in the UAE

Sorbonne Université

Founded in 1257, Sorbonne Université is a multidisciplinary, research-intensive, world-class university.

Located in the heart of Paris, with a regional presence, the university is committed to student success and to meeting the scientific challenges of the 21st century.

Sorbonne Université promotes diversity, creativity, innovation and openness to the world with the support of 6,400 academic researchers, partner researchers, and 3,600 administrative and technical employees.

Université Paris Cité

Université Paris Cité is a leading interdisciplinary and research-intensive university known for its academic excellence, innovation, and global engagement.

The Faculty of Societies and Humanities, which houses the Faculty of Law, Economics, and Management offers undergraduate and master's programmes in law, economics and management at Sorbonne University Abu Dhabi. The university hosts 63,000 students and 7500 faculty members and researchers.

Sorbonne University Abu Dhabi

Sorbonne University Abu Dhabi was established in 2006, under the patronage of His Highness Sheikh Mohammed bin Zayed Al Nahyan, President of the United Arab Emirates and Ruler of Abu Dhabi.

The university benefits from Sorbonne's 750+ years of academic excellence and educates students of more than 90 nationalities with 20+ undergraduate and postgraduate programmes in Sciences, Humanities, Languages, Law, and Social Sciences, plus customised continuing education courses.

Undergraduate and postgraduate degrees offered by the university are awarded by Sorbonne Université, with the exception of programmes in Law, Economics, and Management, which are awarded by Université Paris Cité. All degrees are globally recognised and fully accredited by the **Commission for Academic Accreditation (CAA)** in the UAE, as well as by the **Ministry of Higher Education and Research** in France. Degrees from the Department of Law, Economics, and Management are additionally evaluated by the **High Council for the Evaluation of Research and Higher Education (Hcéres)**, as an international stream ensuring they meet the highest international academic standards.

The university offers a variety of scholarships, including the prestigious HH Sheikh Mohammed bin Zayed Al Nahyan 100% Scholarship for Emirati nationals. Additionally, scholarships and preferential rates may be combined to provide full tuition coverage of up to 100%.

Sorbonne University Abu Dhabi has positioned itself as a significant contributor to research and innovation in the UAE and the Gulf Cooperation Council (GCC) region. Research at Sorbonne University Abu Dhabi is carried out within SAFIR: Sorbonne Abu Dhabi for Innovation and Research Institute which houses a team of dedicated researchers driving forward innovative projects.

As of 2025, seven research centres have been established to tackle questions of global significance and local relevance:

- Artificial Intelligence and Digital Policy
- Heritage and Material Science
- Environment and Sustainable Development
- Global Societies, Cultures, Cities and Arts
- Applied Mathematics, Statistics and Data Science
- Humanities, Languages and Education
- Health and Care.
