SORBONNE UNIVERSITY ABU DHABI

INSTITUTIONAL FACT BOOK
Academic Year (AY) 2024/25

Sorbonne University Abu Dhabi's is delighted to present the sixth edition of its annual Institutional Fact Book. This provides a comprehensive look at the University's journey since its founding in 2006.
The Fact Book offers a detailed account of institutional performance and achievements for the academic year 2024/25, serving as a valuable resource for both internal and external audiences.

Prepared by Institutional Research within the Institutional Planning and Effectiveness Department, in close collaboration with the academic and administrative departments, this Fact Book presents a thorough analysis of the University's strengths, challenges, and growth opportunities within the UAE higher education sector.

The Fact Book includes a comprehensive collection of tables and graphs, offering comparative data on academic programmes, student demographics, faculty and staff profiles, university events, and campus facilities.

The information presented is drawn from SUAD's Student Information System (Ellucian Banner), the web portal, and other institutional databases, ensuring an accurate snapshot of the University's operational performance.

SUAD CURRICULUM
Academic Year 2024/25

All undergraduate and postgraduate programmes offered at SUAD follow the academic curricula defined in Paris and comply with European academic standards and European Credit Transfer System (ECTS).

Each programme is overseen by a Head of Department and Head of Programme at SUAD, in addition to the Conseil d'UFR of the respective academic department at Sorbonne Université (Humanities and Sciences) and Université Paris Cité (Law, Economics, and Management).

SUAD graduates receive their final degree award from the parent university in Paris.

Undergraduate degree programmes are delivered across six semesters over three years with thirty credits per semester and a total of 180 credits awarded. All undergraduate programmes are taught in French, with the exception of the Bachelor in Physics, Bachelor in Mathematics with specialisation in Data Science for Artificial Intelligence, and the Bachelor in Records Management and Archival Sciences.

For all bachelor's and master's programmes taught in English, students must provide proof of proficiency in the language (IELTS).

ACCREDITATION
Academic Year 2024/25

Sorbonne University Abu Dhabi operates under the administration of the Department of Education and Knowledge (ADEK) and the academic leadership of Sorbonne Université in Paris.

The degrees offered by SUAD are issued in France and accredited by the French Higher Council for Research and High Education (Hcéres) in France every 4 years.

The Commission for Academic Accreditation (CAA) of the UAE Ministry of Higher Education and Scientific Research also accredits SUAD programmes.

As of November 2024, all academic programmes delivered at SUAD were accredited by the CAA.

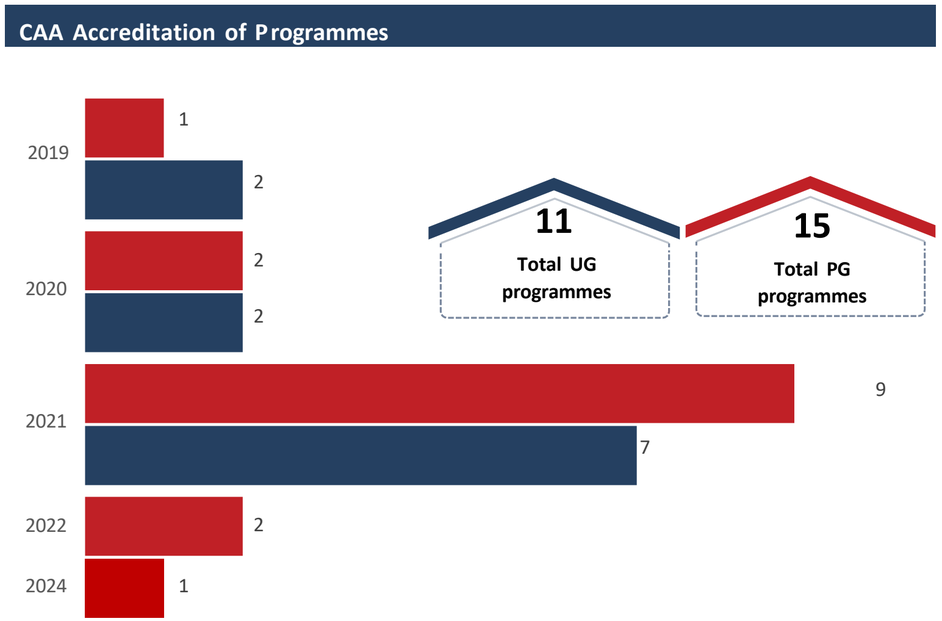

SUAD programmes have the added advantage of worldwide recognition thanks to the fact that they follow the European Credit Transfer and Accumulation System and are therefore recognised under the Bologna Accord.

Student-to-Faculty Ratio (SFR)

Our Student to Faculty ratio is testimony to the commitment to providing quality education and support to our students from the point of entry to completion of their academic award.

The Full-Time Equivalent (FTE), student-to-faculty ratio assesses the balance between student enrolment and faculty at an institution. It is calculated by dividing the total full-time students by the total full-time equivalent faculty, offering insights into faculty workload relative to the student population. In AY 2024/25, the FTE student-to-faculty ratio was **10.1:1**.

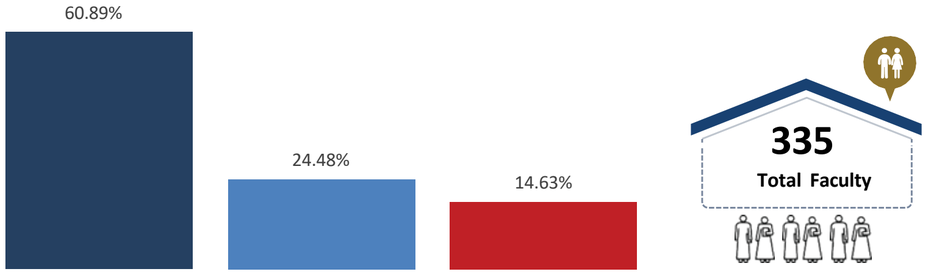

Student-to-Staff Ratio (SSR)

The Student-to-Staff Ratio (SSR) measures the number of FTE students per FTE staff member, reflecting staff capacity relative to enrolment. In AY 2024/25, the SSR was **10.4:1.**

SAFIR: SORBONNE ABU DHABI FOR INNOVATION AND RESEARCH INSTITUTE

Research is fundamental to the vision and strategic objectives of Sorbonne University Abu Dhabi, establishing the institution as a prominent contributor to research and innovation within the UAE and the GCC region.

Through its distinguished research institute, SAFIR, the Sorbonne Abu Dhabi For Innovation and Research Institute, the University aligns its research with the areas of excellence of Sorbonne Université and Université Paris Cité, as well as the specialized expertise of our faculty members based at the Abu Dhabi campus. The University's research priorities are closely aligned with the UAE's Vision 2030, supporting national goals and contributing to the achievement of the United Nations Sustainable Development Goals.

SAFIR encompasses seven research centers dedicated to advancing knowledge in the following strategic themes:

SORBONNE ABU DHABI FOR INNOVATION & RESEARCH

	Heritage and Material Science
Artificial Intelligence and Digital Policy	Global Societies, Cultures, Cities and Arts
Environment and Sustainable Development	Humanities, Languages and Education
Applied Mathematics, Statistics and Data Science	Health and care

SAFIR: SUAD Research Ambassador

The **SAFIR** research laboratory stands as a distinguished ambassador of academic and research excellence, embodying a commitment to impactful scholarship and scientific advancement.

SORBONNE ABU DHABI FOR INNOVATION & RESEARCH

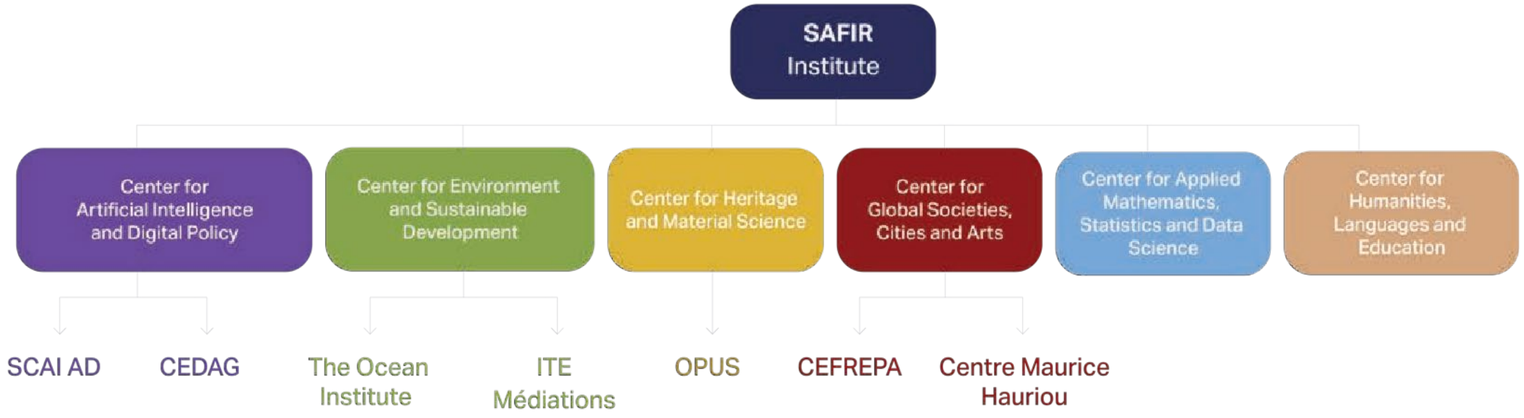

Dr. Clio Chaveneau
Head of SAFIR

SAFIR has achieved impressive academic productivity with over 170 publications and active participation in more than 20 conferences and seminars at SUAD.

SUAD LIBRARY

Academic Year 2024/25

The Library hosts the largest collection of French and Francophone academic literature in the GCC, with over 115,000 printed books and 539843 e-resources, including books, articles, and periodicals.

It offers a comprehensive range of materials to support students and faculty in academic and research endeavors, helping students gather information for coursework, research, and projects while developing key academic skills.

The library provides specialized workshops for students and faculty, including information literacy sessions on database navigation and ethical use of sources, as well as faculty-focused sessions on relevant resources.

It also promotes open science initiatives, guiding data management and open access publishing. The 4,600-square-meter facility is equipped with cutting-edge hardware, software, and private study spaces to support research and collaboration.

Throughout the year, the library hosts workshops on academic writing, citation management, and research techniques, alongside cultural events like book clubs, exhibitions, and discussions. "Le Salon de Musique" offers a space for music enthusiasts, highlighting the library’s role as both an academic resource and a cultural hub for intellectual engagement and lifelong learning.

SUAD SPORTS

Academic Year 2024/25

Sports at SUAD bring together physical activity, well-being, and academic excellence, creating opportunities for students, staff, their families, and the wider community to stay active. With a modern sports complex that includes a fully equipped gym, multi- purpose hall, climbing wall, and outdoor fields, a wide range of activities is available.

Team sports such as football, volleyball, and basketball, along with individual sports like tennis, judo, Muay Thai, and climbing, cater to different interests.

Fitness classes, including Cross Training, Pilates, and Zumba, offer options for all levels.

Beyond recreational activities, SUAD is actively engaged in competitive sports, participating in the Abu Dhabi Inter-University Sports League and organising internal leagues, tournaments, and recreational events.

Inclusion is also a key focus, with dedicated sessions in collaboration with Rab3i that support people of determination, promoting social integration and personal development through sports.

Sustainability remains an important aspect, with initiatives aimed at reducing single- use plastics, encouraging reusable bottles, and organising beach, mangrove, and desert clean-ups. These efforts align with outdoor activities such as kayaking, hiking, and Padel, reinforcing a commitment to environmental responsibility.

SUAD PARTNERS
